Mrs. Graham, Sponsor

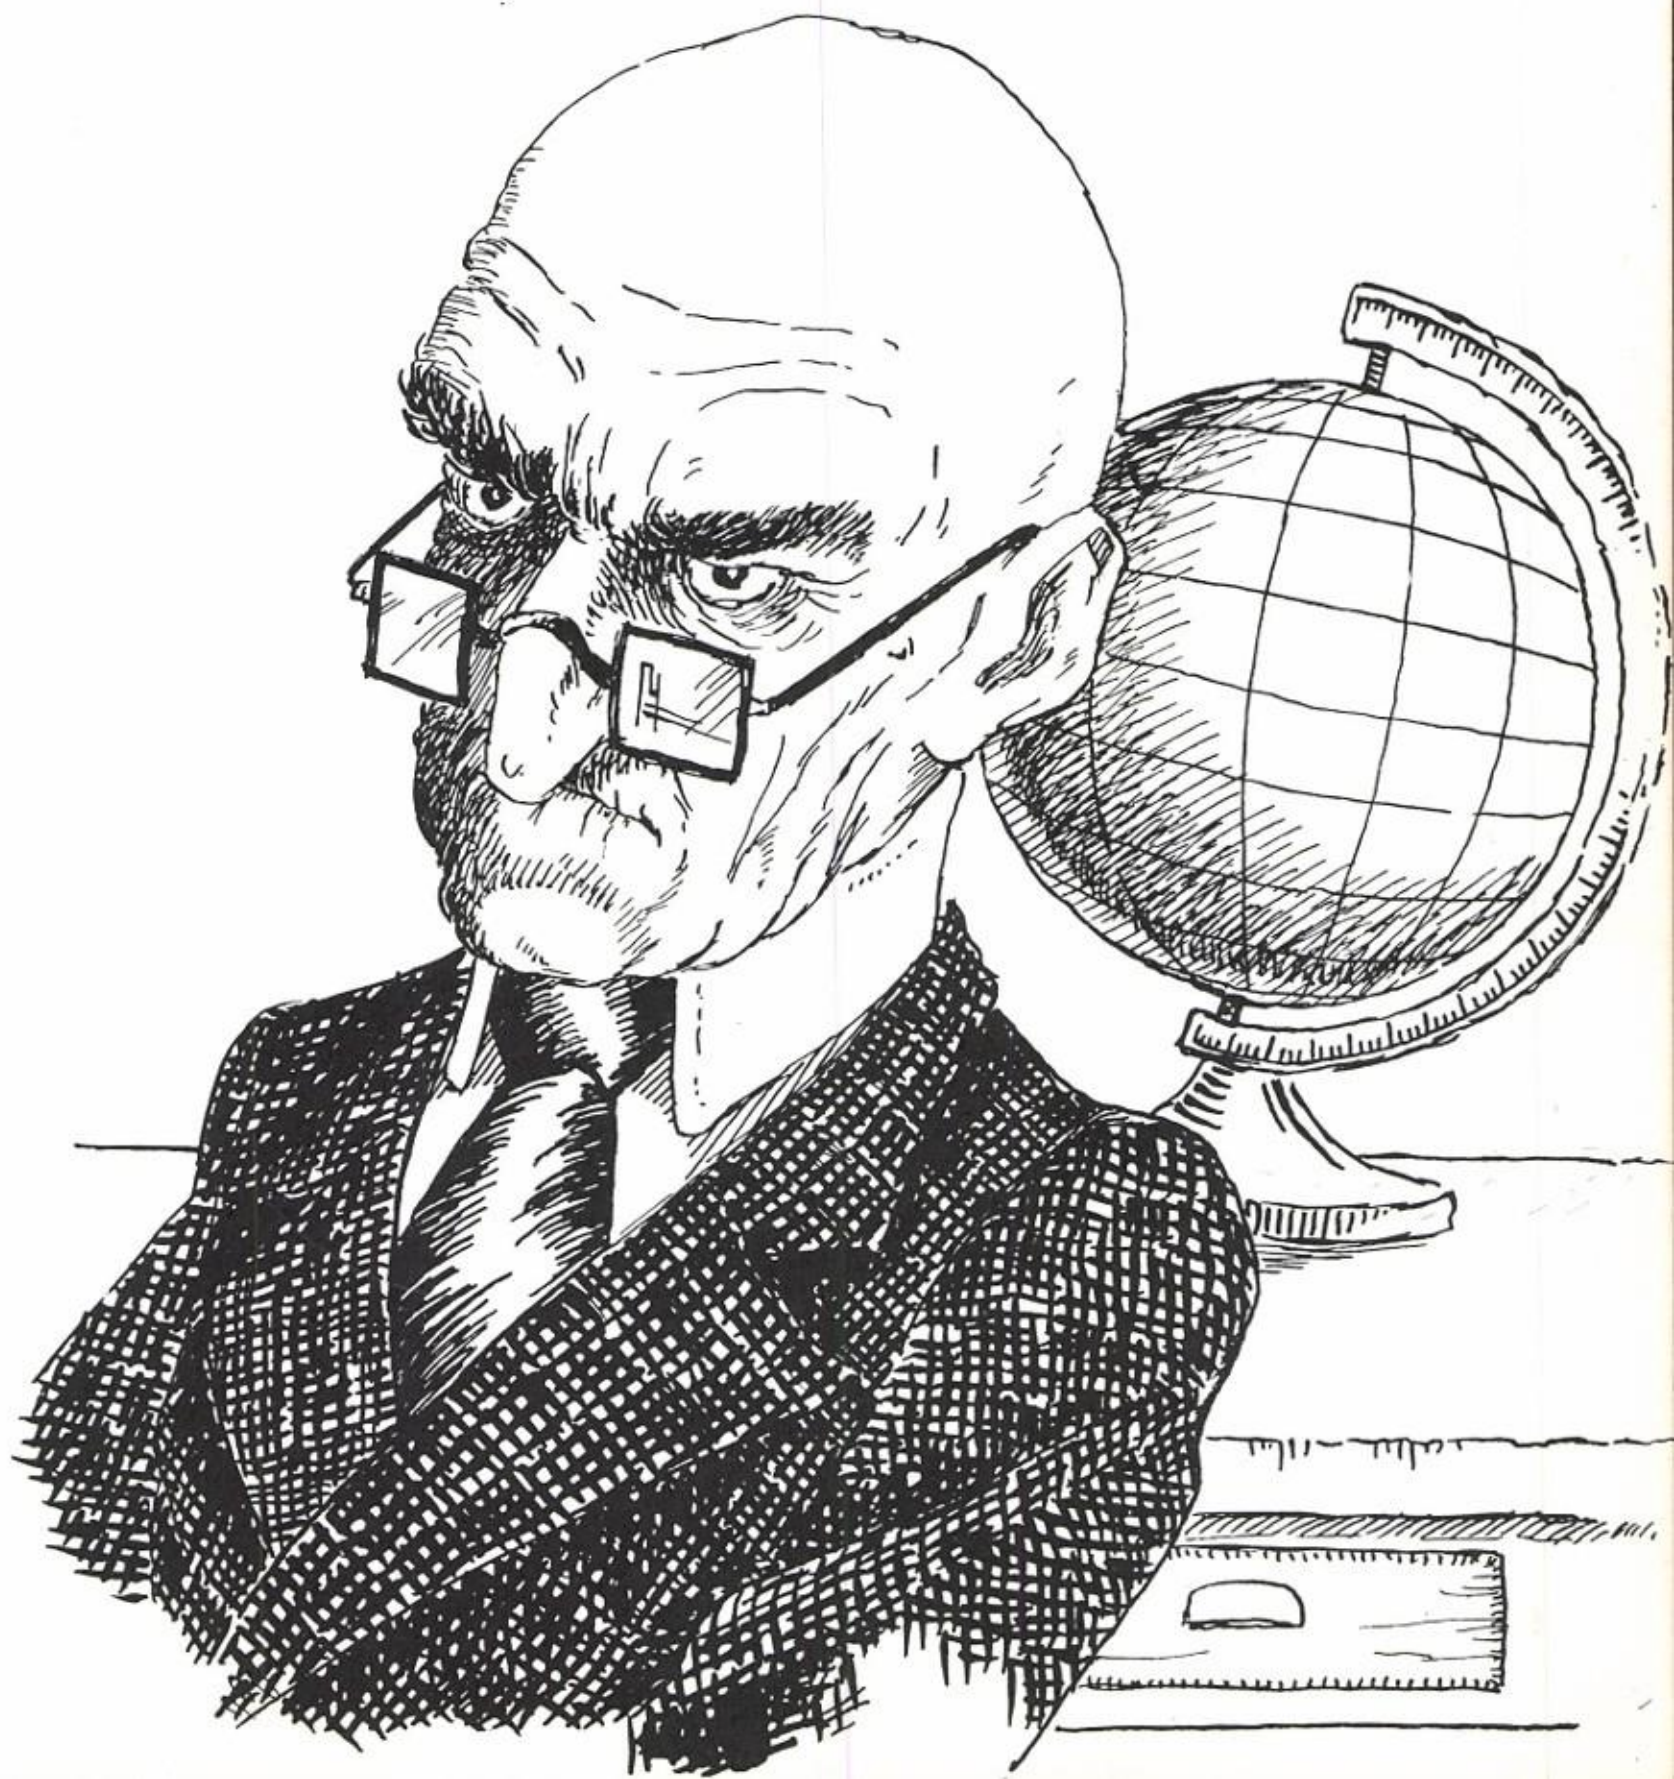

We, the Annual Staff of Kyle High School, in appreciation for her fine work, dedicate this 1955 Panther to Mrs. Ann Frazier. This is an expression of our gratitude to Mrs. Frazier for all she has done at K. H. S.

Her readiness to help, her understanding kindness and sincerity, and her constant energy make her a friend to all at Kyle High School.

We are proud to dedicate this 1955 Panther to Mrs. Frazier, for we think she is a great credit to the teaching profession.

ADMINISTRATION

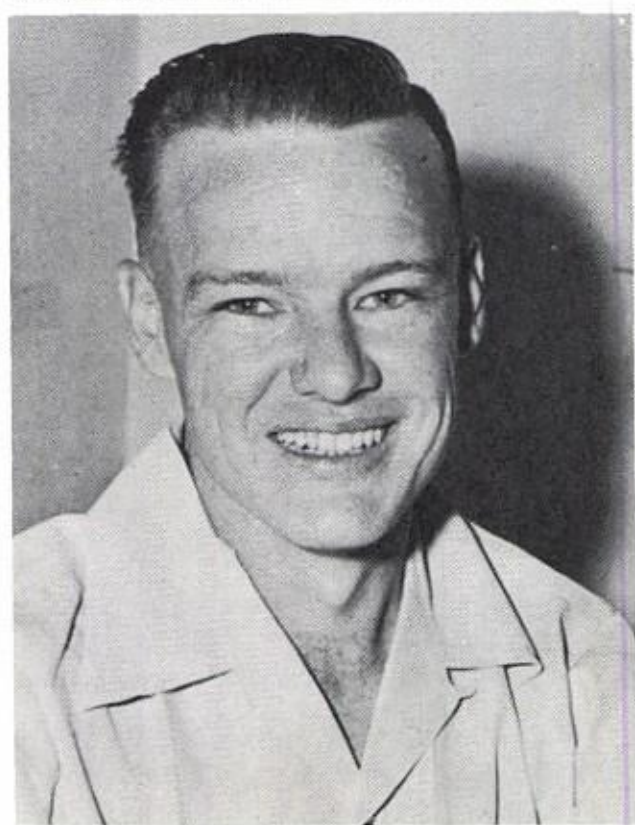

Dear Seniors:

Realizing how adrift you will be feeling after Commencement, I want to encourage you by saying that millions of others have found life worth living, and assure you that you will too, if you will put zest and effort into that living. You hear that old saying "Life is what you make it" so often that we older ones have found it true; we feel sure that your lives will be full of happiness and success because you will honestly try to make them so.

This annual should prove particularly valuable to you as a memory book the next few years. May it give you encouragement when you need it.

Your teacher and friend,

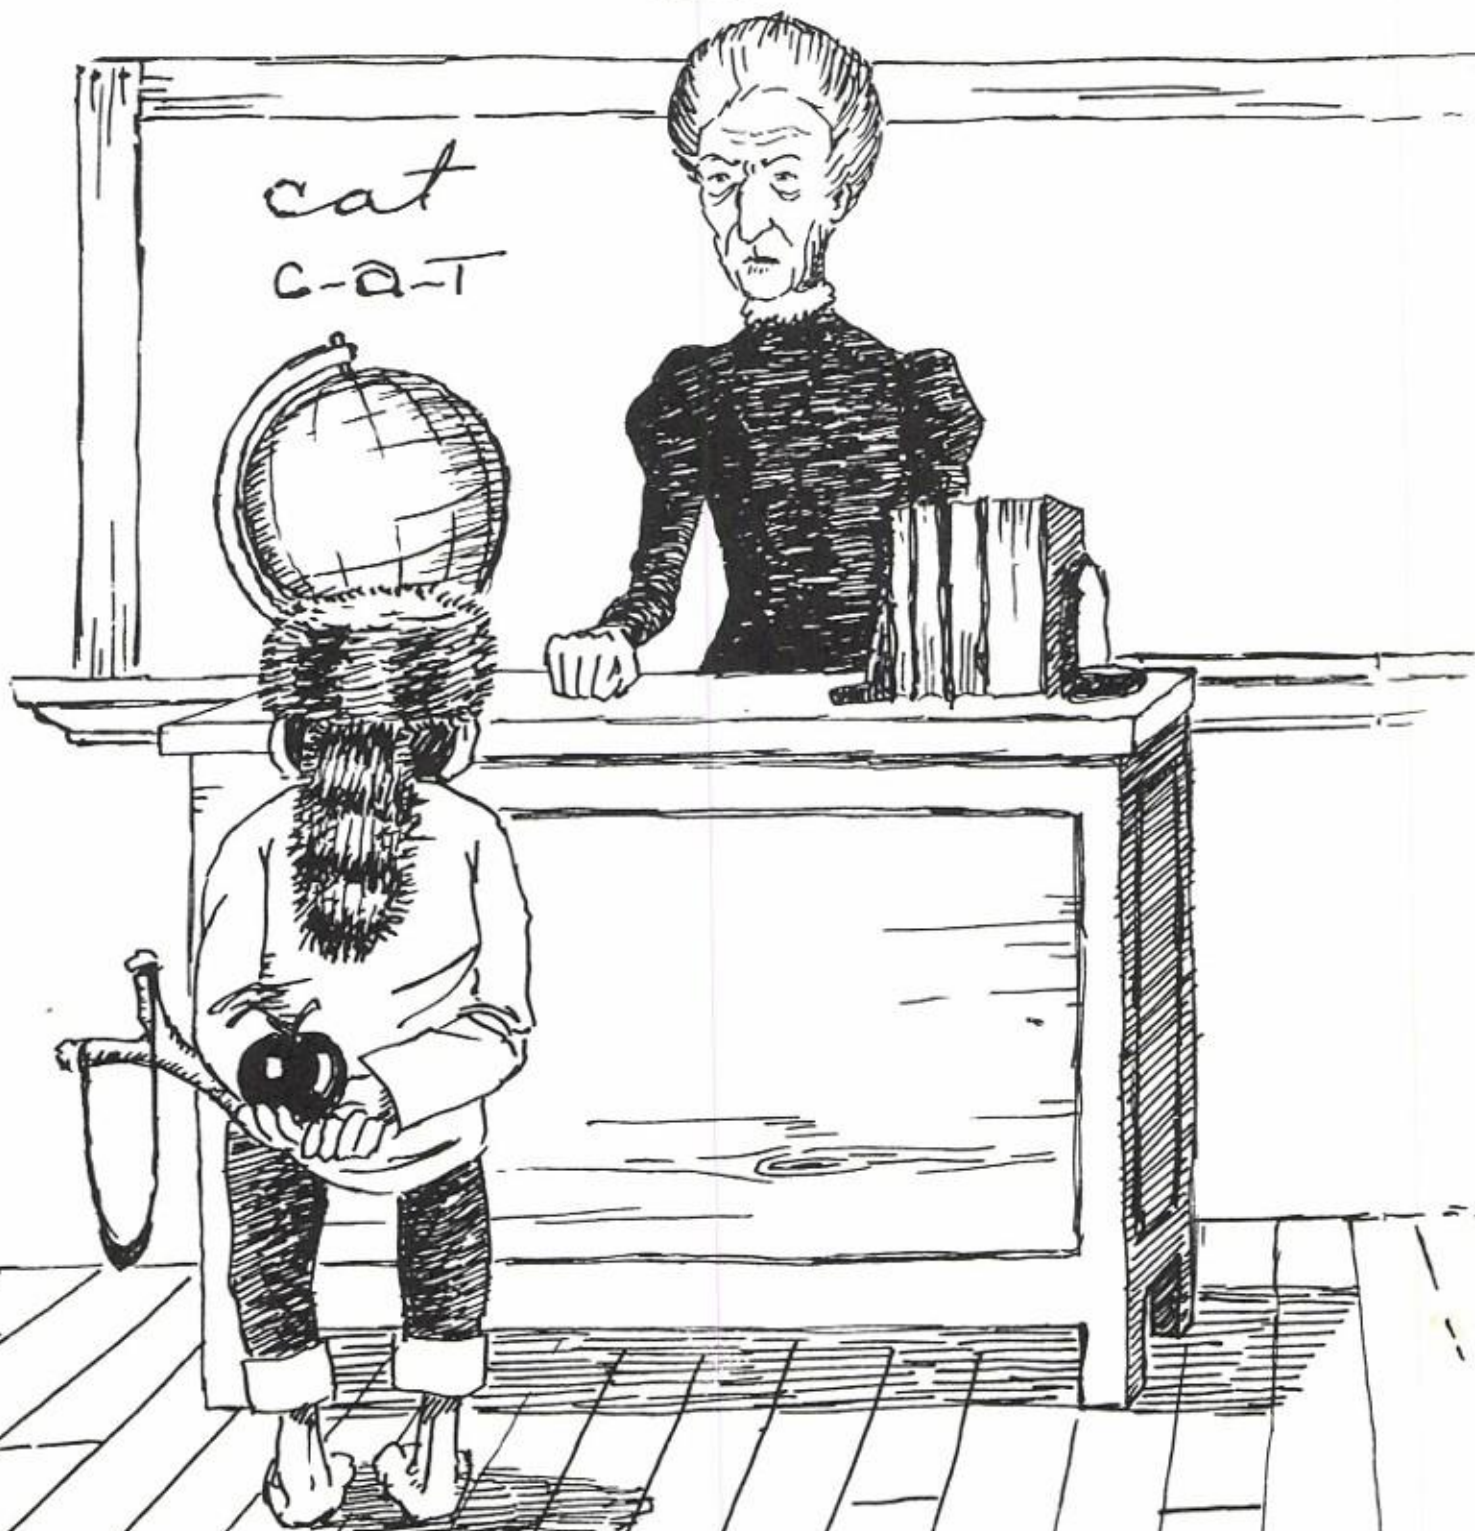

James Maddux
Superintendent
